The accessibility of this tourism resource has been analyzed by experts

General Information

Su famosa cúpula bizantina que se divisa desde cualquier punto de la ciudad, es una de las creaciones del arte medieval hispano más original, que influenciaría el estilo constructivo de la Colegiata de Toro (Zamora) y la Catedral Vieja de Salamanca. Este famoso cimborrio, construido a base de escamas de piedra, es una de las construcciones más deslumbrantes del románico español y europeo y tiene su precedente en la cultura oriental.
